- (1) “VALAHIA INTERNATIONAL FOR EXCELLENCE” scholarship addresses to the candidates who have already enrolled to our programs, PY , bachelor or master study, at their own expenses, who prove special academic results and wonderful competences obtained at Olympic competitions or national/international contests.
- (2) “VALAHIA INTERNATIONAL FOR EXCELLENCE” scholarship holders are to stimulate academic performances and exquisite university journey, supporting didactic activities involvement, as well as to make it easy the integration into academic and university campus life in order to value the individual potential and professional growing level.
- (3) The eligible candidates for these scholarships represent the citizens from Non-EU countries.
- (4) Their conditions is to not hold a Romanian citizenship, not soliciting or had any kind of protection form in Romania, not being stateless, whose staying on Romania’s territory is officially recognized by the law, not be part of a diplomatic form attested in Romania and not being a scholarship holder for the same cycle of study. Romanians everywhere benefit from other scholarship programs and can’t compete on these ones.
- (5) This kind of scholarship financing can be assured by the institutions’ itself incomes, sponsors’ investments, donations, partnerships’ contributions or any other legal sources according to the internal Board’s rules.
- (6) Applications files are sent only to the e-mail address of International Relations Office, relint@valahia.ro, within the deadline established by the special scholarships calendar approved in the Board’s meetings. Only the complete and sent in time .files will be processed.
- (7) The application file must contain the following documents:
 - a) Annex 16.1 form;
 - b) ID/Passport copy;
 - c) Annex 16.2 form regarding the personal data protection;
 - d) Annex 16.5 form regarding the admitting the scholarship conditions statement;
 - e) Curriculum vitae, hyphenating the remarkable education background of the candidate;
 - f) Study records copies;

- g) Diplomas and transcript of records distinct relevant copies;
 - h) Cover letter written in English;
 - i) Three letters of recommendation from teachers of institutions where the candidate graduated, written in English, to hyphenate the remarkable potential and results of the candidate.
- (8) The evaluation process is made in two stages:
- Processing files to establish their eligibility and inform them by e-mail about their results;
 - Evaluating the eligible candidates to get the final result(receiving Admitted or Rejected).
- (9) The selected candidates will be contacted by e-mail about the final result. The final scholarship holders list will be posted on the university's site. The unoccupied number of scholarships remained will be exposed in the following receiving files session, established and approved by the Board's decision, not later than the beginning of the academic year.
- (10) The selected candidates for the "VALAHIA INTERNATIONAL FOR EXCELLENCE" scholarship must end the admission procedure for bachelor or master study programs, according to the admission rules. The scholarship holder receives it after getting enrolled to study at Valahia University of Târgoviște.
- (11) The scholarship propositions are forwarded by the Committee of Special scholarships to the Board.
- (12) The scholarship grant is made under the following forms:
- (a) The financial support(amount established by the Board) is covering the living costs over the academic year;
 - (b) Covering the tuition fee for the promoted academic year of studying previously and it is transferred in the following year study, under condition of fulfillment of academic requests and administrative ones, by signing an additional study contract;
 - (c) Covering the last study tax fee, at the end of the study program graduation after fulfillment of all academic obligations, including graduation as well.
- (13) Receiving the scholarship needs to respect a few conditions, like: promoting from one year study to another, signing study contract and additional study contract, respecting the rules mentioned in the learning plans, participating to mandatory didactic activities, attending classes and promoting the subjects from curricula.
- (14) Maintaining the scholarship is conditioned by fulfilling the following academic criteria and attending to all classes during the student academic journey:
- (a) At the end of the each Ist semester of the university year it is mandatory to obtain minimum 8,00 grade as GPA, on criteria arithmetical procedure based on the grades obtained at the promoted subjects, a minimum of 20 credit points, as well as the attending classes mandatory condition for at least 75% of the courses.
 - (b) Promoting into the next academic year, it comes with at least 40 credit points of the year study ended previously;
 - (c) For exceptional cases not respecting the rules of a) and b) points, the Committee of special scholarships may propose to cut the income of the grant by presenting documents confirmations of them and forwarded to the Board. They can approve the

withdraw of the scholarship based on reasons presented and of course announcing the student previously. Not fulfilling the scholarships conditions of attending classes may be justified only in exceptional situations where the student present severe medical illness or major forces conditions based on the justified documents submitted by the candidate to the faculties' secretaries.

(15) The scholarship's grant stops in the following situations:

- The beneficiary doesn't fulfill the scholarship conditions of eligibility and maintain it, including the academic requests and attendance to classes during the year study, all mentioned at paragraph (14);
- The beneficiary walks away or loses the student quality;
- The beneficiary goes studying to other higher education institution inside a mobility program for good;
- The beneficiary commits fraud or has any other inappropriate behaviors against the university campus rules.

In these cases, the scholarship's grant destined to cover over the entire academic year stops at the finding of bad situation which determines losing the right to benefit anymore and it will no longer be transferred in the next stages of time. The amounts of the grant already sent to the beneficiary regarding the tuition fee are not refunded, no matter when the grant ends.

(16) The "VALAHIA INTERNATIONAL FOR EXCELLENCE" special scholarship can't be added to other scholarships awarded by the university.
